

**Press Release – 10 January 2011**

**MCVB goes the Distance for Kids with Cancer**

Five MCVB staff recently displayed both their athletic and altruistic sides in the annual City2Bay fun-run, which was held in early January.

An early morning start did not deter the quintet of Jon Malpas, Jo Scanlon, Beverley Williamson, David McCarthy and Elise Clancy, who managed a very impressive 8<sup>th</sup> overall in the Teams section.

The challenging and picturesque ten-kilometre route saw competitors start at Etihad Stadium, wend their way through the streets of South Melbourne and finish on the St Kilda foreshore.

In addition, the MCVB team raised money for Challenge Cancer, which helps children living with cancer interact through camps and other activities, as well as providing hospital and parental support.
