Venues on the Menu in Melbourne

Melbourne Convention + Visitors Bureau (MCVB) and Regional Victoria Conference Group (RVCG)'s venue finding service, Victoria Meetings and Events Service (VMES) has been rebranded **VenueMenu**.

"The new brand reflects the diversity of product on offer in Melbourne and Regional Victoria. **VenueMenu** is an exceptional service that provides the user with an extensive menu of the best venues and accommodation available in the state," said Trish Finnemore, MCVB General Manager Marketing.

VenueMenu draws on the expertise of the MCVB and RVCG to provide clients with comparative quotes based on their specific requirements.

VenueMenu will continue to offer the quality service previously provided by VMES.

MCVB and RVCG launched the joint venue finding services VMES in 2002. Since then the service has assisted hundreds of people to locate the perfect venues for their meetings and events.
