comme

With two beautiful venues for groups up to 300, the upstairs rooms at Comme are purposed designed for meetings, conferences, weddings and special events.

No request is too great for Comme's dedicated events team. Comme is the ultimate conference and event venue.

The Grand Room is one of Comme's most impressive spaces with spectacular six metre high ceilings, large arched windows and a pair of contemporary green Murano glass chandeliers. With seating for 110 guests, it is a flexible space and can cater for a variety of different purposes. Three sets of floor-to-ceiling doors open to the beautifully styled Onyx Room. The Onyx Room is ideal for private lunches and dinners, small conferences or group meetings.

For larger events, the doors to the Grand Rooms can be opened to seamlessly join the rooms.
