Internet: www.epicure.com.au

Contact: David Mercer

Email: david.mercer@epicure.com.au

Meeting Capacity (max): 2500

Total Meeting Rooms: 29

## Location

The MCG is more than simply one of the world's great sporting arenas. For over 150 years it has been Melbourne's heartbeat.

The MCG combines grand traditions within spectacular surroundings. An extraordinary array of premium event spaces with luxurious design and breathtaking views offers superb possibilities for conferences, exhibitions, gala dinners, elegant cocktail parties, seminars and product launches.

## Venue Highlights

### NATIONAL SPORTS MUSEUM

The National Sports Museum showcases more than 2,500 objects related to the greatest moments in Australia's sporting history. More than just a museum, the National Sports Museum seeks to capture the spirit of Australian sporting life and the moments that have shaped our rich sporting traditions.

### MCG TOURS

The MCG has been the scene of many great sporting achievements, as well as many 'firsts' in Australian sporting history. An MCG Tour invites you to relive more than 150 years of sporting excellence on the grand stage of this magnificent stadium.

## Catering Facilities

EPICURE provides its award winning service, offering a range of menus for any style of occasion. From themed dinners, formal banquets, conferences and cocktail parties, through to breakfast meetings and working lunches, EPICURE designs seasonal menus using the finest quality and seasonal produce.

## Food Philosophy

EPICURE does more than just serve food, stage events, and offer the best possible produce. Their philosophy runs much deeper. Favouring local suppliers, they're always aiming to reduce their carbon footprint by supporting home grown, environmentally sustainable produce.

EPICURE uses free-range poultry and smallgoods wherever possible, and never uses cage-reared eggs. All seafood is Australian, farmed or wild. Their philosophy also extends to the sourcing of specialty local dry goods such as nuts, grains, and vinegars, as well as local mineral water, 100% Australian orange juice and a Fair Trade coffee blend.

## Technical Facilities

Complimentary use of the MCG's state-of-the-art built-in audio visual equipment is available in the Members Dining Room, Olympic Room, Yarra Park Room and Jim Stynes Room. These rooms are fitted with projector and screen, ceiling-mounted LCD TVs, AV distribution system and ceiling speakers. Lecterns with microphone and lectern risers are also included with each room. Professional audio visual technicians are available to assist with additional requirements.

## Transport

Just minutes from the heart of the city, the MCG is famous for its convenience and accessibility. Complimentary on-site parking can be arranged for VIPs with additional public car parking available within the precinct. Tram and train stations are nearby and detailed directional maps can be provided to guests prior to your event.
