## Technical Facilities

The in-house technicians are on hand to assist with all your technical requirements, and are happy to offer design and theme facilities.

## Catering Facilities

EPICURE provides its award winning service, offering a range of menus for any style of occasion. From themed dinners, formal banquets and cocktail parties, through to breakfast meetings and working lunches, EPICURE designs seasonal menus using the finest quality and seasonal produce.

## Food Philosophy

EPICURE does more than just serve food, stage events, and offer the best possible produce. Their philosophy runs much deeper. Favouring local suppliers, they're always aiming to reduce their carbon footprint by supporting home grown, environmentally sustainable produce.

It goes to the heart of the Epicurean philosophy – creating happiness through good food, good wine, good friends – in a way that does no harm. This approach means that EPICURE are constantly researching suppliers who produce food of exceptional quality using humane methods.

EPICURE uses free-range poultry and smallgoods wherever possible, and never uses cage-reared eggs. All seafood is Australian, farmed or wild. Their philosophy also extends to the sourcing of specialty local dry goods such as nuts, grains, and vinegars, as well as local mineral water, 100% Australian orange juice and a Fair Trade coffee blend.

This approach ensures EPICURE creates exciting seasonal menus that revolve around fresh local produce when it's at its best.

## Parking

Ample parking is available at City Square car park opposite the venue.
