Etihad Stadium is located in the exciting area of Docklands. Situated on the city's doorstep, Docklands is Melbourne's leading waterfront destination.

Docklands is walking distance from the city of Melbourne. Located close to a wide range of accommodation facilities, it is easily accessible by both public and private transport. Melbourne Docklands is a truly unique place; a place for everyone to visit, embrace and enjoy.

Etihad Stadium has further enhanced its Functions and Conferences offerings with the new 'Intimate Mode' Arena Feature. By draping the stadium arena with 16 metre high drapes, we can create an exciting addition to Melbourne's conference and conventions landscape. The Intimate Mode Arena can accommodate over 5,000 delegates for a conference or a gala banquet. Experience the Stadium Arena in a new and exciting way.

- Award ceremonies
- Private occasions

The secret to Etihad Stadium lies in both its unique flexibility and world-class facilities.

## Technical Facilities

Audio Visual Dynamics (AVD), a team of audio visual personnel with extensive industry experience supports the functions department at Etihad Stadium. This experience along with comprehensive knowledge of Etihad Stadium means that AVD can add that edge in professionalism and quality that you have been looking for.

## Catering Facilities

Delaware North Australia is the venue's catering provider. They are renowned for high quality dining and excellence in customer service. Our entire catering personnel, from the Executive Chef to the function organisers will work closely with you to create and deliver a function that will delight your guests and meet your budget.

## Parking Facilities

With 2,500 car parks located directly under Etihad Stadium, parking couldn't be easier. Both the car park and the internal service road operate 24 hours, 7 days a week.
