I.D Events welcomes you to the future of event theming and decor.

I.D Events is a theme production house set to become the largest rental and hire provider of custom made sets and theme concepts in Australia. You can rent one item or rent an entire theme, we deliver anywhere in Australia.

What is different about I.D Events?

Our themes are more than mere decoration. Each concept and theme elements come together to bring a story to life, providing your guests with a magical experience and a lasting impression.

INNOVATION: There is nothing like our concepts in the events industry, and through years of research and meticulous design our concepts have been made exclusively for I.D Events, bringing magic, imagination, innovation and impact to the events industry.

QUALITY: When the quality of your event reflects on you and your organisation, this is also true of I.D Events. Quality is paramount and you will see that in our impressive products.

EXCLUSIVITY: You can't get our products anywhere else, so by using our concepts you will be giving your guests something truly unique and spectacular.

CUSTOM MADE: We offer a service unlike any other. I.D Events can custom make and source products individual and unique to your event.

I.D Events brings magic, imagination, innovation and impact to the events industry.

I.D Events theme hire for the events industry.

I.D Events caters to your specific theming requirements. You can hire an entire theme or a variety of elements for any size event or venue. If you have a small event for 50 or a gala for 1000, we can customise and select pieces to maximise impact accommodating your venue and budget needs. Alternatively, you can create your very own custom made theme.
